Doheny Treasures

By Historian/Archivist Katherine Timme

Engraved sterling silver coffee urn

This past year, several members of the Doheny family graciously donated an array of family artifacts and personal effects to the Friends of Greystone.

Among the most intriguing was a set of two demitasse cups, each with a photo of a bride and groom. Donated by Mrs. Tim Doheny, these cups commemorated the wedding of Edward Laurence Doheny Jr. and Lucy Smith Doheny, Tim Doheny's parents. Mrs. Doheny's gift also included photos and other personal items.

Michael Niven and his family donated an extensive collection of articles belonging to their mother, Lucy Estelle Doheny Washington, including family photos and engraved sterling silver chaffing dishes.

Kacey Doheny McCoy donated her grandmother Lucy's black leather luggage set, monogrammed with the initials "LSB", from the years Lucy was married to Leigh M. Battson.

Joyce Doheny, widow of Edward Laurence Doheny III, also donated a few unique items. These include several monogrammed leather travel cases, a two tiered leather tobacco pipe box and three unusual shadow boxes filled with gold toiletries and other grooming items.

These personal gifts were on display during the First Annual Concours d'Elegance at Greystone Mansion.

The Friends of Greystone archives are made possible through the generous support of the Doheny family.

FOG also received an extravagant gift from The Kazanjian Foundation. This gift includes a gold lady's applicator with mirror and a gold mesh purse, engraved "To Lucy, Xmas 1913, From Pa D and Ma D."

The Friends of Greystone are honored to preserve, archive and display in our ever growing collection these keepsakes of a family and these mementos of a time gone by.

25th Annual Volunteer Recognition Reception

Greystone Estate, May 26th, 2010

The Volunteer Recognition Reception was held for the first time at Greystone Estate on May 26th, 2010. During the year 2009 the City of Beverly Hills enlisted the assistance of a total of 508 volunteers. Many of our volunteers have enjoyed working at Greystone assisting with various events.

Jeff Koltin, BH City Manager
Susan Rosen, FOG Board Member

The volunteers, contributing over 40 hours per year, were invited to the celebration and those who served the City for over 10 years received the Mayor's Tenure Award. The result was an excellent recognition event and gratitude and compliments were heard from volunteers of all ages.

Dedication of the Doheny benches and Greystone Park project

by: Historian/Archivist Katherine Timme

On December 16, 2010, the City of Beverly Hills dedicated the park project of the lower estate improvements and the Doheny benches in memory of two of Ned and Lucy Doheny's five children. Two limestone antiquity garden benches were graciously donated by the families of Timothy Doheny and Lucy Estelle Doheny Washington. The benches have been placed in the new rose garden.
