The Greystone staff, Park Rangers, City of Beverly Hills, our membership and our Board of Directors have all been extremely dedicated in helping to bring the Greystone Estate back to life and restored to its original beauty. A special thank you to Friends of Greystone member Jeffrey Hyland for donating fifteen framed photographs documenting the construction of Greystone Mansion, now on permanent display on the first floor of the Mansion, four of them here on this cover. Please enjoy your ride as you read the following pages, 2014 has been a great ride for us and we look forward to another successful year in 2015.

The 2014 Greystone Mansion Annual Concours d'Elegance celebrated the 60th anniversary of the Porsche Speedster, the 50th anniversary of the Ford Mustang and a Centennial Class in honor of the 100th anniversary of the founding of the City of Beverly Hills. The Greystone Mansion Concours is unlike most any other automotive event because it offers something for everyone with gourmet food, libations, expert-led lectures, viewing the estate's grounds and the Mansion's interior, a fashion show, as well as a discerning vendor marketplace.

One hundred and forty-five automobiles were on display in this year's Concours field, a 1912 Rolls-Royce Silver Ghost was named Best of Show and a 1965 Alfa Romeo TZ2 was named Best of Show Sport. These exceptional automobiles and more than thirty unique motorcycles graced the historic 18 acre estate. Each year the show highlights a variety of remarkable cars that are rarely seen by the public and feathers a completely new field of entries annually. Auto enthusiasts Dave Kunz and Donald Osborne MC the event ever year.

The Concours was once again honored to be selected by the Lee Iacocca Foundation to present its award for achievement in advancing the automobile collector hobby, with that award presented to Mr. David Gooding.

The Greystone Mansion Concours d'Elegance is an annual fundraiser for the Friends of Greystone, a non-profit organization whose mission is the ongoing restoration and preservation of the estate.

The 6th annual Greystone Mansion Concours d'Elegance is scheduled for Sunday, May 3, 2015 and occurs annually on the first Sunday of May. For more information call (310) 285-6830 or visit www.greystoneconcours.org.

FRIENDS OF GREYSTONE RESTORATION - DONATED MANSION DOORS June 10, 2014

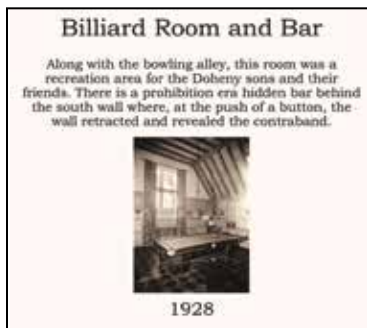

In September of 1928 when little Lucy Estelle Doheny, known by family and friends as Dickey Dell, moved to Greystone with her family, she was 13 years old, the older sister to four younger brothers. Her new bedroom was designed as a suite with not only a bedroom and bath, but a lovely dressing room built with walk in closets, a miniature of her mother Lucy's dressing room. Over the years, two doors in the dressing room had simply disappeared from Greystone. Despite a thorough search of the base-

ment and attics, where things from bygone eras were stored, no matching doors were located. In 2014, Alan Weiner of Renaissance Design Studio, a true Friend of Greystone, offered to replicate the doors in two sizes. Renaissance specializes in handmade doors, staircases and custom millwork. The Renaissance Design Studio is located on La Cienega, with their shop in the San Fernando Valley. Renaissance borrowed a door to copy and returned with two beautifully matched replacements. Another small piece of Greystone restored thanks to board member Gay Parrish.

GREYSTONE - "USA" TODAY VOTED September 8, 2014

Thank you USA TODAY for picking Greystone Mansion as one of your "10 Best Peaceful Park Settings". Not your typical park as you won't find a sandbox, swingset or dog run anywhere. What you will find is a sprawling Mansion, with beautiful gardens and stunning views nestled above Sunset Boulevard. From its hilltop location, Greystone offers spectacular views and a quiet retreat from the busy city. Formal gardens, winding paths, and huge redwoods create a rarefied atmosphere that is at once calming and invigorating. Wander the grounds and look in the windows of the 1928 Doheny Mansion (listed on the National Registry of Historic Places). You may have seen

the Mansion and grounds in your favorite movie. The Mansion is only open for special events. The park is generally open to the public and is free.
